

**FOR IMMEDIATE RELEASE**

**Rearden Commerce™ CEO to Present at Cornerstone Information System's Foundations in Innovation Customer Conference**

Patrick Grady to Discuss How Web 2.0 Technology is Transforming the Corporate Travel Experience

**Foster City, Calif. – May 1, 2007** – Rearden Commerce, Inc., the largest online marketplace for services of all kinds, announced today that its Founder, Chairman and CEO, Patrick Grady will present at Cornerstone Information System's Foundations in Innovation Customer Conference taking place in San Jose, CA, May 2-4, 2007. This year's conference will focus on how leading companies are using Cornerstone's technology to quickly deliver innovation and enhance their competitive positions.

A recognized pioneer and leader in Web Services and on-demand technologies, Patrick Grady established Rearden Commerce with the goal of transforming the way individuals and businesses buy and sell services online. With a rapidly-growing base of customers, partners and merchants, the company is executing on Grady's vision. In his presentation, Corporate Travel 2.0, Grady will discuss how Web 2.0 technologies will fundamentally change the way corporate travelers find, book, and manage the services they use every day.

**WHAT:           General Session 4 - Corporate Travel 2.0**

**WHEN:          Thursday, May 3 at 4:45 p.m. PDT**

**WHERE:         Dolce Hayes Mansion, San Jose, Calif.**
